

Scrubbers

Professional Hygienic Cleaning Tools

Diversey's range of professional scrubbers are suitable for all cleaning needs where a level of hygiene is required. They are designed to achieve the highest efficiency and meet particular food hygiene requirements. Full colour coding is also available.

Hygienic

- Made out of the highest quality raw materials
- Colour coded
- Washable in mechanical ware wash machines
- Autoclavable

Effective

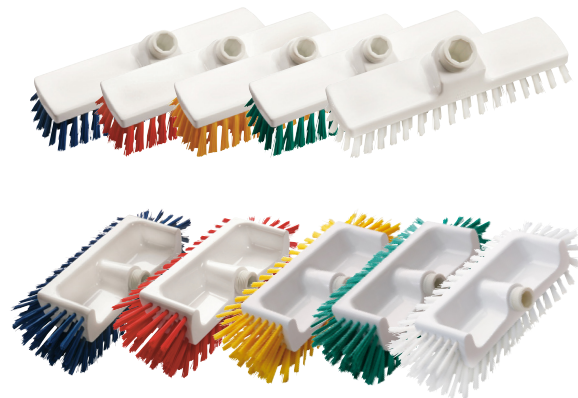

- Highly effective in wet areas
- Robust and long lasting
- Unique connector between scrubber and handle for an improved strong connection

Versatile

Different sizes and shapes are available to order to allow best cleaning in open and congested areas

Designed for

- Food & beverage production facilities
- Kitchens & restaurants
- Contract catering
- Retail
- Education & government
- Healthcare
- Building service contractors
- Hospitality
- Contract catering

Scrubbers

Diversey scrubbers can be used for wet cleaning on hard floors. They are fully colour coded for segregation and HACCP.

Large Scrubbers

Recommended for cleaning and scrubbing of large, open and easy to reach heavily soiled areas. The hard bristles facilitate the removing of caked-on dirt in an effective way.

Small Scrubbers

For perfect cleaning and scrubbing in congested and difficult to reach areas where scrubbing is required.

Hi-Low Scrubbers

This scrubber with an angled shape has been specifically designed for optimal cleaning of areas where the wall meets the floor. It can also be used on the floor, around legs of equipment and on the equipment itself as well.

Product Code	Description	Dimension mm	Material and Thickness	Pack Size	Colour
7521374	Scrubber Hard White 400	400x60x90	Polyester PBT ø 0,50mm	1pc	White
